

LUCAS Community Arts Space

BALLARAT COMMUNITY HEALTH

Ballarat Community Health is very excited to invite local artists to share their ideas for the Lucas Community Arts Space.

If you are a painter, performer, film maker, photographer, sculptor, video artist, potter, musician, dancer, director, choreographer, glass artist, poet, live artist, printmaker, singer, songwriter, jeweller, or if your art form is too new and hip to even have a name yet – WE ARE LOOKING FOR YOU!

Lucas Community Arts Space is a versatile space available for hire ranging from gallery space to performance space, showings, poetry readings, rehearsal space, workshops and developments.

If you are interested in using Lucas Community Arts Space, please make a time with Alisa Tanaka-King to discuss your project.

Ph: 5338 4500
