

Service Fees : Doctors Clinic as at 8/11/2022

Concession card holders and patients under 16 will be bulk-billed through Medicare

If you are a non-concession card holder then you are a private patient and required to pay for your visit on the day of your appointment. *EFTPOS, and cash payments accepted*

If you have registered your bank details with Medicare, the claim will be submitted for the rebate to be paid back to you by Medicare. NOTE: It is your responsibility to lodge bank details with Medicare.

Patients without a Medicare card are to pay the full amount for the consultation on the day of the visit prior to attending the consultation.

This list is a guide only, not all services are listed. If there are any additional fees, the doctor will discuss these with you before the treatment/service is completed.
