## About Ballarat Community Health

Ballarat Community Health (BCH) provides a wide range of community health and wellbeing services across Ballarat and Western Victoria. We are passionate about improving the health and wellbeing of the communities we support and addressing health and social inequality. We strive for safe, effective, connected, person centred quality services, and advocate to improve systems to bring about positive outcomes for the broader community. Our work is guided by our core values. These values inform how we work with each other, the partnerships we develop, as well as how we collaborate with and support our community. At BCH we believe our people are our greatest asset. We know that developing and retaining a skilled workforce is fundamental to our success. We are committed to nurturing an inclusive, capable and diverse workforce, and creating environments where our people thrive and excel.

## Our Purpose

Creating healthy communities through the provision of accessible, affordable and quality health and wellbeing services.

## Our Leading Principles

Address health inequity and inequality  
 Improve the health and wellbeing of our community  
 Have impact and be sustainable

## Values

<b>Respect</b> Valuing other points of view and treating people with respect	<b>Integrity</b> Acting with sincerity and honesty	<b>Responsibility</b> Being reliable and accountable to others
<b>Optimism</b> Focusing on potential and abilities	<b>Courage</b> Strength in the face of challenges	<b>Resilience</b> The ability to be strong in adversity, and bounce back with renewed hope

## Diversity Statement

Ballarat Community Health recognises and celebrates the diversity of the community within which we work. We acknowledge the first peoples of Australia and their unique contribution. We welcome and work with people of all ages and health status, of all races, abilities, gender identities, sexual orientations, religious, cultural, and linguistic backgrounds, and financial status.

---

**Position  
Summary**

BCH is the lead agency for Headspace Ballarat. Headspace helps young people aged 12-25 who are experiencing difficulties and going through tough times. Headspace has a multi-disciplinary team of allied health staff, general practitioners and youth workers to provide assistance with general health, mental health and emotional well-being, education, employment, alcohol and other drug services.

The Youth Assessment, Intake and Treatment Worker (Headspace) will be responsible for engaging with clients entering the Headspace service, providing initial intake, clinical assessments and supporting clients to engage with the headspace program. This includes assisting young people with the registration processes, providing brief interventions and short-term support as required (including counselling and case management), managing referral pathways and promoting a youth friendly culture.

The role will also develop and facilitate various group programs and workshops in collaboration with other health professionals.

---

**Team  
Environment**

The headspace Ballarat crew are a passionate and energetic team driven to provide evidence based and innovative service delivery. We strive to support young people achieve their best and provide positive community connections.

---

**Principal Areas of  
Responsibility**

- Provide the suite of Youth Worker services including; intake and clinical assessment of client needs, implementing and reviewing client service plans, and ensuring appropriate supports and referrals are put in place
- Engaging with young people accessing the facilities and program and appropriately triaging them to relevant services within and external to Headspace as required
- Provide considered advice and relevant information to clients and their families, and when required, advocate on their behalf regarding access to services
- Successfully engage with, assess and treat young people with an emerging or established mental illness, including those from high risk groups, through the provision of timely, evidence-based psychological and social interventions in line with the client's age, social and cultural background, beliefs and individual needs
- Be responsible for brief interventions (including counselling) and/or short-term case management of young people with complex needs and challenging behaviours
- Through engagement with the young people, work collaboratively with them to manage their own care, support them to develop the skills and capacity to make positive decisions and to improve their social inclusion, community connectedness and personal development
- Liaise and negotiate with other BCH departments, external agencies and broader community services on a range of issues relating to clients, service delivery and referral pathways
- Work closely with other stakeholders, relevant agencies and organisations to assist with enhancing opportunities for young people
- Travel to outreach locations as required
- Ensure a focus on self-management principles
- Ensure that accurate documentation of all client related records and associated data is maintained
- Support student placements through supervising placements when required
