

Recognising and Responding to Elder Abuse Training

Does your organisation employ older people?

Do you offer local programs and supports for older people?

Ballarat Community Health through the Central Highlands Elder Abuse Prevention Network can help your organisation to learn more about supporting older people experiencing elder abuse.

Contact us to book a presentation for your organisation:

elderabuseprevention@bchc.org.au

Training overview:

- Learn about how to recognise elder abuse
- Case Studies relevant to your organisation
- Tips and techniques for responding to disclosures of elder abuse
- Learn about local referral services
- Challenging Ageism to prevent elder abuse

Current at: March 2025
